

# NEMS @ WHALEBACK

1-16-22: THE COLD WON'T STOP US!  
BY: ELIZA PHILLIPS

## RACE 2: WHALEBACK 2XSL

NEMS headed up to Enfield, NH on Sunday, January 16<sup>th</sup>, for a slalom doubleheader. With a high of 6 degrees reported at 6am, we had the mountain all to ourselves! The courses were technical and long, with each run averaging just under a minute. With the cold temperatures, the courses held firm and made for a great race. In a rare occurrence, the men's and women's overall winners for each race were all first-time winners! Congratulations to race one winners Eric Vitiello (M1) and Patti Lane (F8), and race two winners Chris Farrell (M3) and Eliza Phillips (F1)!
