Whaleback is more than a mountain; it is a community. With outstanding (and underrated) terrain, a great beginner's area, and a whole lot of old-school vibes our goal is to put the fun back in skiing. Enabling family-friendly, affordable skiing & riding is our top priority. As a non-profit we want to give access to skiing to everyone in our community. Our programs include after-school groups, lessons, hosting area ski clubs and the legendary adult race night league.

Whaleback is a testament to the love of skiing, it would not exist without the support of our volunteers, our donors, or our incredible staff. If you are looking to get back to skiing's roots, then come check us out.

SKI IT TO BELIEVE IT!
